

BUSINESS MEETINGS AND RETREATS

The Bradley Inn offers the perfect location for your small business meeting or retreat. The property has 12 to 16 guest rooms available, depending upon the season, plus a comfortable living room, tavern, dining room and back deck. We are a short four-minute walk to the Pemaquid Lighthouse, which makes for a great break during the day or a morning or evening walk. Our grounds are lush during the summer and fall months.

Make the inn your own, by scheduling meetings during the week in the shoulder or off season.
